

“I Will Never Forget...”

I will never forget you Moy,
Your freckled face,
Your always positive attitude on life.

I will never forget,
The faith you had in the Lord our God,
Whom you praised daily.

I will never forget,
The fun we had breaking open piñatas at birthday parties.

I will never forget,
You standing on the porch waiting to be called upon to break it open,
Because us “kids” could not.

I will never forget,
Sitting with you and your friend everyday on the bus,
During my kindergarten years.

I will never forget,
How proud I am of you because you were in the Marines.

I will never forget,
The short time you had on this earth.
However, it leaves me at peace,
Knowing that one day I will see you again.

Moy, I will never forget...
